SUBJECT: BLUE LANTERN LEVEL 3: POST-SHIPMENT END-USE CHECK
ON LICENSE 05-1000927

REF: 2006 BLUE LANTERN GUIDEBOOK

11. (U) This is an Action Request. See paragraphs 2-5.

12. (U) The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests posts' assistance in conducting a post-shipment end-use check on license 05-1000927 for the export of aircraft parts to Portugal. Posts are requested to complete this Blue Lantern check within 45 days. Lack of response to a Blue Lantern inquiry will affect pending and future licenses involving parties to this license.

13. (SBU) Reason for request: Commodities are in demand by countries that are subject to U.S. arms embargoes and proscribed as end-use destinations under Section 126.1 of the International Traffic in Arms Regulations (ITAR); routing of commodities raises possible diversion concerns.

14. (U) ACTION MADRID: Post should make appropriate inquiries to determine if foreign consignee EADS CASA both received the aircraft parts listed on license 05-1000927 and exported them to end-user the Portuguese Air Force. If possible, post should obtain relevant identifying information in order to facilitate Embassy Lisbon's efforts to confirm ultimate receipt of the parts by the Portuguese Air Force.

15. (U) ACTION LISBON: Post should make appropriate inquiries to determine if the end-user, the Portuguese Air Force, has received the aircraft parts listed on license 05-1000927 and that these United States Munitions List (USML) items are being used for the purpose stated on the license.

End action.
